About

💻 I'm a Frontend Developer and UI Designer with 1 year of experience in building responsive web interfaces and creating clean, modern user interfaces.

Over the past year, I've worked on multiple projects using HTML, CSS, JavaScript, and design tools like Figma to turn ideas into user-friendly, visually appealing designs.

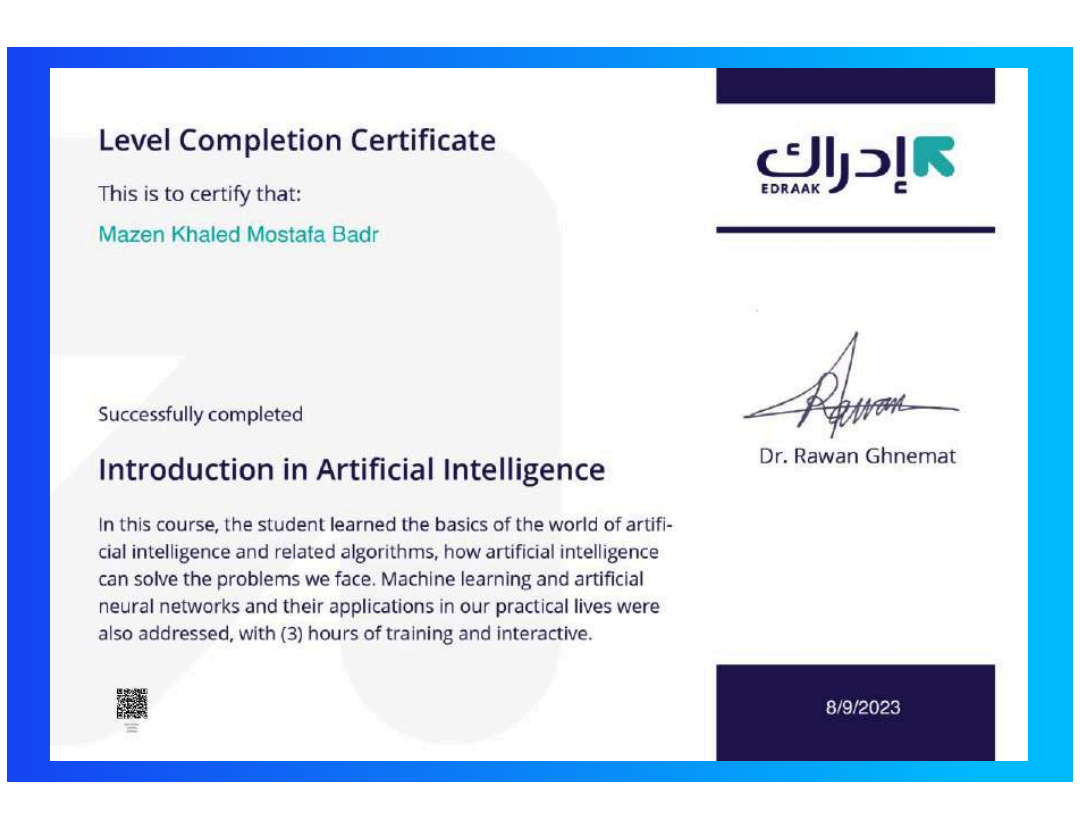
🎨 With Figma, I’ve designed complete UI layouts, wireframes, landing pages, and interactive prototypes that align with user needs and business goals.

🔧 Skills:
HTML | CSS | JavaScript| Figma | UI/UX | Word | Excel | Power point | Access | Speaking English

🎯 I'm currently open to remote opportunities where I can combine my coding and design skills to deliver seamless digital experiences

I study at ElSewedy Academy in the third year of secondary school in the Programming department, and I have created many websites using HTML, CSS, and JavaScript

Certificates



Level Completion Certificate
This is to certify that:
Mazen Khaled Mostafa Badr
Successfully completed
Introduction in Artificial Intelligence
In this course, the student learned the basics of the world of artificial intelligence and related algorithms, how artificial intelligence can solve the problems we face.
